The phone page

Apple Legacy Contact, the passcode and the recovery codes, on one sheet

THE END OF LIFE PLANNER
Free

> “Apple can’t help remove the passcode lock without erasing the device.”
>
> Apple, on its page for families asking for a dead relative’s account · `support.apple.com/en-us/102431` · read November 2, 2026

The phone

Whose phone	
Passcode kept at	
Who else knows it	

Apple — Legacy Contact

GIVES	Photos, messages, notes, files, device backups and more.
DOES NOT GIVE	Passwords, passkeys and payment information in iCloud Keychain; films, music, books or subscriptions bought with the account.
SET IT UP	Settings → your name → Sign-In & Security → Legacy Contact → Add Legacy Contact. `support.apple.com/en-us/102631 · read November 2, 2026`
Legacy Contact	
Access key kept at	

Recovery and two-step codes

Main email	
Backup codes at	

This sheet is the planner’s first section, cut short. The rest is everything else your family will look for.

`theendoflifeplanner.com/us/the-end-of-life-planner`

Write where each code is kept and who knows it. Never the code itself.
